This summer we're welcoming 2yr olds into our amazing General Camp program along with NEW choices in **THE ACADEMY** Program (formerly known as Sports Academy Plus). **THE ACADEMY** now offers **FA CLUB** for campers (3-5th grade) who really enjoy the many different activities of our General Camp program but with the flexibility to explore other interests. Our **FA CLUB** members spend all day together with scheduled activities in the arts, sports, music, and science, while enjoying special events each week. Our **SPEED & AGILITY** program (6-9th) is our new comprehensive training program designed to maximize each athletes potential. These are just a few of our over 24 choices in **THE ACADEMY**, which includes sports, arts, computers, and travel. We also have optional programs in swimming, academics and early morning care, as well as an expanded **TRAVEL PROGRAM**. Finally, our CIT (Counselor in Training) program provides our students, ages 14-15yrs an opportunity to received excellent leadership training and hands on experience working with children. The program now includes a mandatory overnight training session along with some fun day trips.

We're excited about the summer of 2010 as we continue to expand and improve all our programs. We're grateful that many families trust us with the care of their children each summer and we want to thank everyone for their interest and continued support. Please feel free to contact us if you have any questions about our many programs. **(516) 393-4207** or **FASUMMERCAMP.ORG**.
