Practice Tests: There will be 4 full length proctored practice tests scheduled during each course that will be administered at either Friends Academy on the Friday or at an Edge test center nearby on the weekend in addition to the 8 or 16 sessions above..

Class Size: We aim to keep our class size to a minimum and will never put more than 12 students in a class (although we always aim for 10) in order to maximize score improvement. Our score improvement has averaged 260 points for the SAT and 4.5 points for the ACT.
