

Summer Fun!

Join FA's Infant and Toddler Center For a Fun Filled Summer!

Summer Two's Program:

Now your toddler can enjoy a summer full of fun activities built into a day that meets the needs of younger children. Our summer program will offer your child the opportunity to sit under a tree for story time, enjoy music, arts and crafts, and dance, all with specialized teachers, as well as exciting water play to cool them off! All of this within a day that can accommodate the need's of a two year old (Diapers OK)!
