We've extended our trip in order to extend the fun!!

Six Flags Great Escape Lodge (Lake George, NY) July 20-22nd

An exciting 2 night stay at the Great Escape Lodge featuring a 38,000 square ft. indoor water park, Johnny Rockets restaurant and Six Flags Adventure Park directly across the street. Add a steamboat ride on Lake George and a stop at the fun zone Amusement Park and you've got the makings of a terrific trip.

A huge hit with last summer's campers

Philly Tour (Philadelphia, PA) Aug. 3-5th

The "City of Brotherly Love". Discover the city on a fun-filled Ducks Tour. Visit the historic Liberty Bell, Independence Hall, and the Franklin Institute/IMAX Theater. There's a tour of Citizens Bank Park which is home of the Phillies, and a cruise down the Delaware River aboard the "Spirit of Philadelphia".

Don't miss this trip to one of the great cities on the east coast.

Hersheypark (Hershey, PA) Aug. 17-18th

This is one "sweet" trip. Come and play at one of America's great Amusement/Theme Parks. We've got water rides/family rides and some of the most awesome roller coasters anywhere in the country. A visit to Hershey's Chocolate World and a tour of Hershey Museum round out this exciting two day excursion.
